Wai`anae Intermediate School

Sports physicals will be held on the school campus; location will be posted on the Office Doors.

Saturday, July 26

9 am – 3 pm

FOR SPORTS PROGRAMS IN SCHOOL YEAR 2014-2015

- Athletes need to arrive at the sports physicals with a student ID and a parent/legal guardian. Volunteers will help families fill out the forms.
- Athletes will receive the required screening in the free sports physicals to clear them for participation in school sports.
- The Sports Physical event is for students with no health insurance, or with insurance but no coverage on sports physical, or that are unable to afford the out-of-pocket expense.

*Please Note: The exam given on Sports Physical Day only provides the clearance necessary to participate in competitive school sports. **This screening should not replace the student's annual visit to their doctor.** If any medical conditions are found to be of concern during the screening, a referral to a primary care provider will be given by the volunteer doctors. Students and families are strongly encouraged to reconnect with their doctor and not to rely on the sports physical event every year.*

Call (808) 548-1771 (Sharlette Poe, Community member) for more information. You may email completed form to: sharpoe@gmail.com; drop off at Nanakuli High & Intermediate School and Waianae Intermediate School main office; or turn in to your High School Athletic Trainer.

I will participate AND bring my parent or legal guardian with me on Saturday, July 26th

I will not participate at this time
